

The basic steps of admission process

When applying students need to submit:

- Fill in application (most universities have online application, please check).
- CV and Motivation letter. (e.g. University of Latvia and Riga Technical University may ask)
- Copies of previous education document and transcript of records (grades/final exam marks.)
- **N.B. If the documents are in any other language than English, then notarized copy in English with approval of the documents authenticity should be provided.**
- English language proficiency document IELTS 6.0 or TOEFL 75 (if English is not your native language or your previous education was not in English).
- **N.B. If you do not have TOEFL /IELTS or any other language proficiency document, in some cases university may set English language online exam.**
- Copies of the passport.
- ***Please make sure that all the above mentioned submitted copies are of a good quality!***

After receiving all the required documents:

- Please note that the minimal time of education document recognition is one month. Some cases may take longer

After receiving approval from Academic Information Centre:

- Students sign the agreement and pay tuition fee minimum for one academic year.
- **(Some universities may ask to pay a deposit fee, which will be returned after completion of studies)**

PLEASE MAKE SURE YOU READ THE AGREEMENT CAREFULLY SO THAT YOU ARE FULLY AWARE OF ALL THE REQUIREMENTS AND YOUR OBLIGATIONS.

- Invitation (for visa or residence permit) will be sent
